

Introduction to Computer Science
Current Event Questions

Article 1 *LAUSD launches its drive to equip every student with iPads*

Article 2 *LAUSD halts home use of iPads for students after devices hacked*

1. Summarize the articles in 3-5 sentences
2. In your experience, does having technology in the classroom “improve teaching and boost achievement”? Give an example to support your opinion.
3. Did the second article change your mind about the practicality of LA’s iPad initiative? Why or why not?
